나사
Tornillo
螺丝

J Thermal Paste
Wärmeleitpaste
Pâte thermique
열전달 그리스
Pasta térmica
散热膏

Step1 Intel LGA1200/115X/1700/1851

Install after removing the sticker
Installieren Sie nach dem Entfernen des Aufklebers
Installer après avoir retiré l'autocollant
스티커 제거 후 설치
Instalar después de quitar la pegatina
移除贴纸后安装

LGA12XX/115X
LGA17XX/1851

Install the backplate to the motherboard and fix it with spacers

Installieren Sie die Rückplatte auf dem Motherboard und befestigen Sie sie mit Abstandshaltern

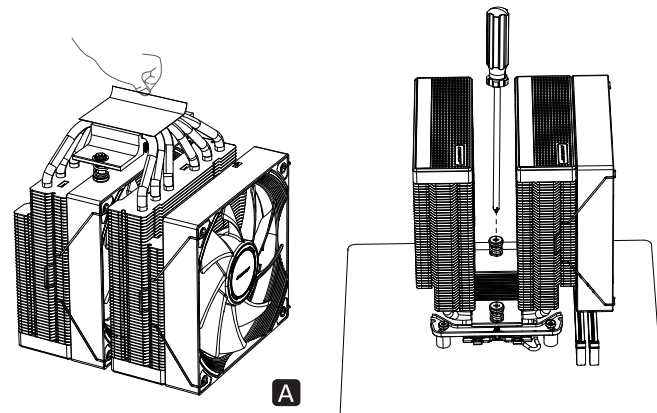

Installez la plaque arrière sur la carte mère et fixez-la avec des entretoises

백플레이트를 마더보드에 설치하고 슬리브로 고정합니다

Instale la placa trasera en la placa base y fíjela con casquillos

将背板安装到主板上,并用套筒固定

Step3

Before installing the radiator, remove the protective film

Vor der Montage des Heizkörpers die Schutzfolie entfernen

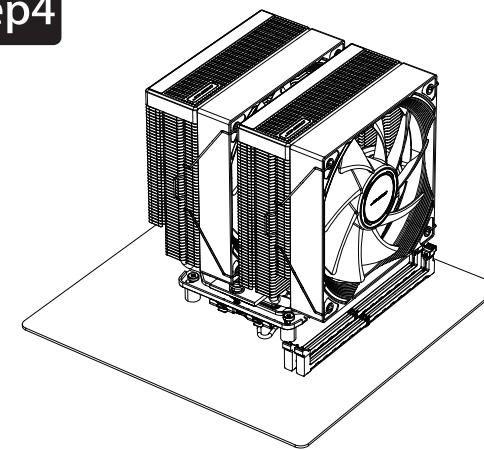

Avant d'installer le radiateur, retirez le film protecteur

라디에이터를 설치하기 전에 보호 필름을 제거하십시오.

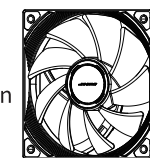

Antes de instalar el radiador, retire la película protectora.

安装散热器前, 移除保护膜

Step4

Air inlet direction
进风方向

Air outlet direction
出风方向

Pay attention to the direction of the fan

Achten Sie auf die Richtung des Lüfters

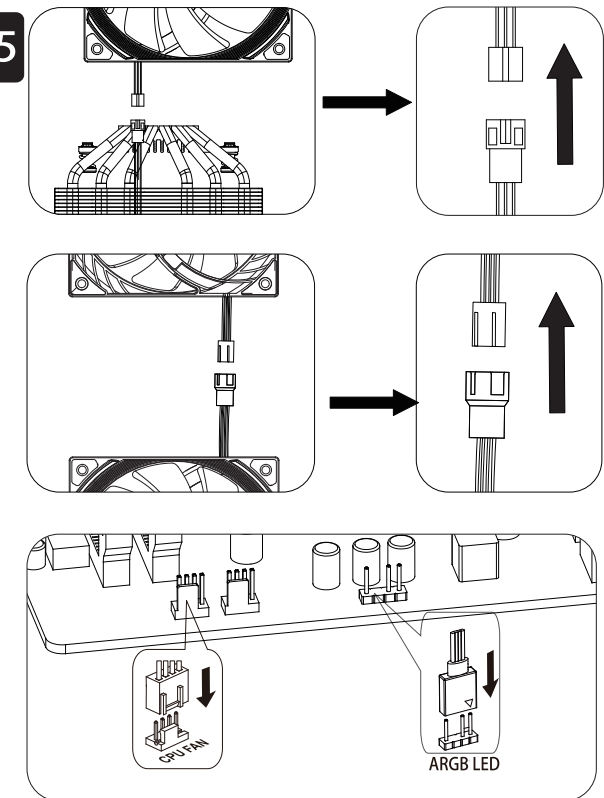

Faites attention à la direction du ventilateur

팬의 방향에 주의하세요

Preste atención a la dirección del ventilador.

注意风扇方向

Step5

Connect the fan lead to the main board as shown in the figure above

Verbinden Sie das Lüfterkabel mit der Hauptplatte wie in der Abbildung oben gezeigt

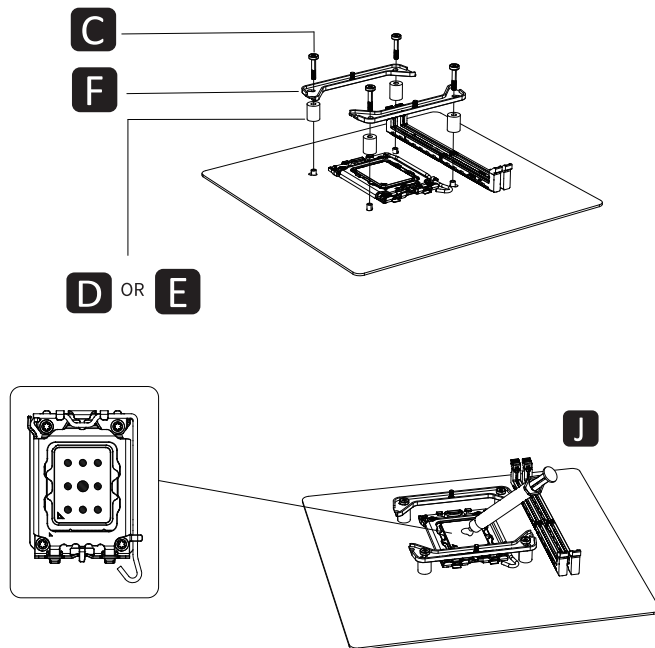

Connectez le fil du ventilateur à la carte mère selon l'image ci - dessus

위의 그림에 따라 팬 케이블을 마더보드에 연결합니다

Conecte el cable del ventilador a la placa base según la figura anterior

依上图将风扇导线与主板连接

Step2 Intel LGA1200/115X/1700/1851

Install the bracket and apply silicone grease

Montieren Sie die Halterung und tragen Sie Silikonfett auf

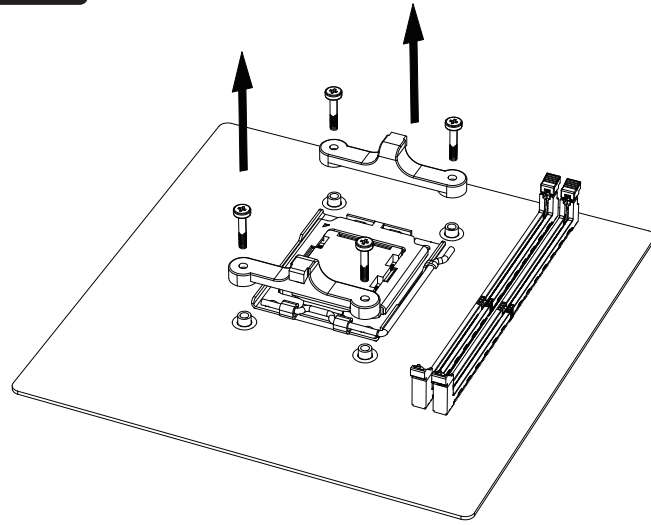

Installez le support et appliquez de la graisse silicone

브라켓을 설치하고 실리콘 그리스를 바릅니다.

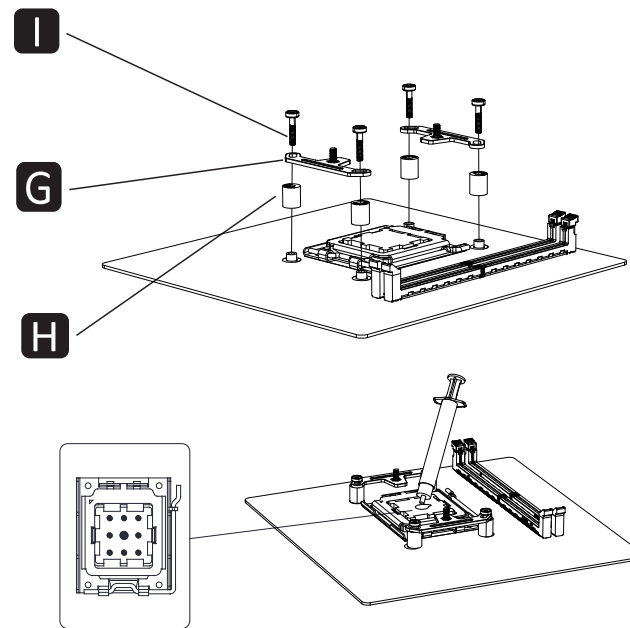

Instale el soporte y aplique grasa de silicona.

安装支架, 涂抹硅脂

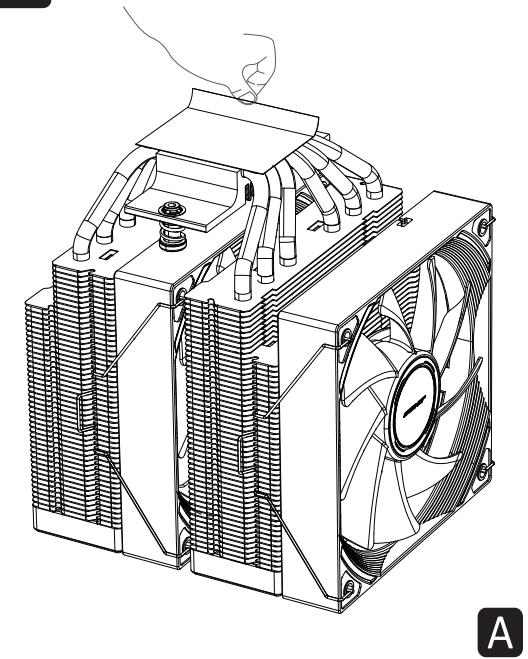

CB80 Series User's Manual

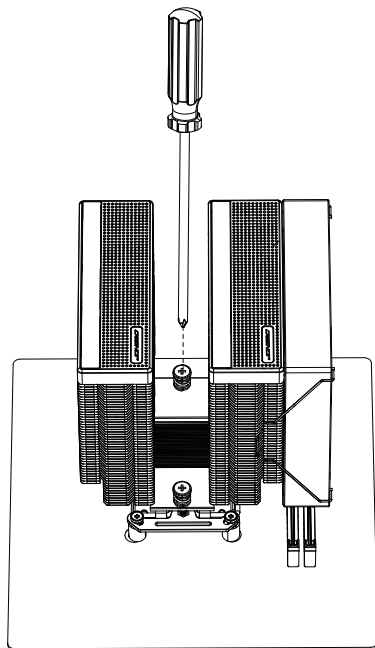

Remove the AMD original plastic bracket
Entfernen Sie den originalen AMD-Kunststoffhalter
Retirez le support en plastique d'origine AMD
AMD 오리지널 플라스틱 브라켓을 제거하세요.
Retire la montura de plástico original de AMD
移除AMD原装塑胶支架

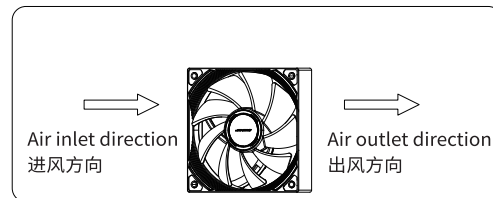

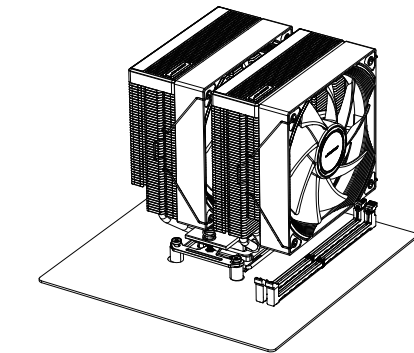

Install the bracket and apply silicone grease
Montieren Sie die Halterung und tragen Sie Silikonfett auf
Installez le support et appliquez de la graisse silicone
브라켓을 설치하고 실리콘 그리스를 바릅니다.
Instale el soporte y aplique grasa de silicona.
安装支架, 涂抹硅脂

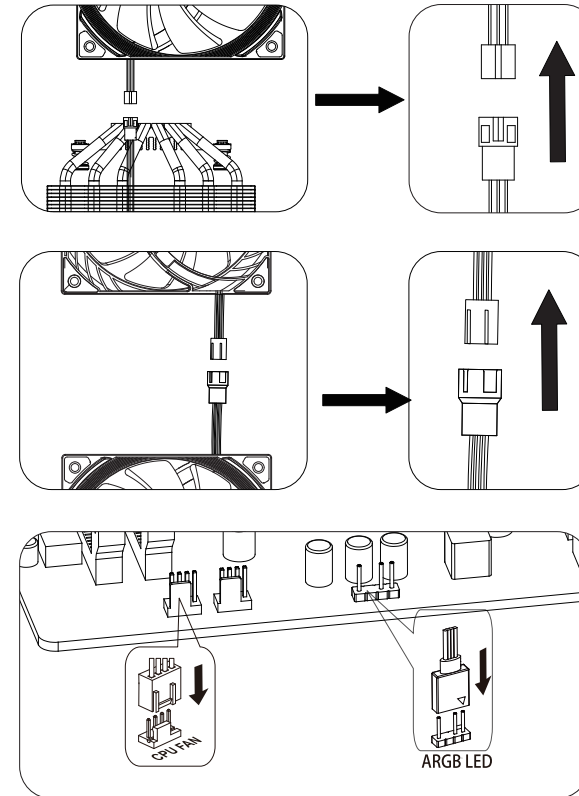

Remove the protective film
Schutzfolie entfernen
Retirer le film protecteur
보호 필름을 제거하세요
Retire la película protectora
移除保护膜
